everything the
power of the world does
is done in a circle. the sky is
round and i have heard that the
earth is round like a ball, and so are
the stars. the wind in its greatest power,
whirls. birds make their nests in circles, for
theirs is the same religion as ours. the sun
comes forth and goes down again in a circle.
the moon does the same, and both are round.
even the seasons form a great circle in their
changing and always come back again to where
they were. the life of a man is a circle from
childhood to childhood, and so it is in every
thing where power moves. our teepees were
round like the nests of birds, and these
were always set in a circle, the nation's
hoop, a nest of many nests, where
the great spirit meant for us
to hatch our children.

Southern's Drama/Speech department is renowned as a developer of talented and capable actors and technicians. The bill of production this year consisted of nine student one-act plays and four student full-length shows, as well as four major productions: Hay's "The Horse", directed by Arnold Powell in November; John Steinbeck's Pulitzer-winning "Of Mice and Men", directed by John Kitchens during Interim; Buechner's "Woyzeck", directed by Arnold Powell in March, and a novel Readers' Concert Theatre Tour of Alabama in April. A new avenue of experience opened this year with the presentation of three meritorious films; Ingmar Bergman's "The Ritual," "Waiting for Godot," and Luis Buñuel's "Tristana." Upperclassmen of exceptional abilities in dramatics are included in Alpha Psi Omega. Members are: Glenda Buttram (president), Bill Andrews, Don Bell, Terrell Finney, Earl Grilliat, Sherron Grilliat, Susan Koffler, Mary Meehan, Wren Ralison, Ben Scakel, Beverly Smyly, and Diane Ward.

man is a symbol.
so is an object or a
drawing. penetrate beneath
the outward message of the
symbol or you will put yourself to
sleep.... within the symbol there is
a design which moves. get to know this
design. in order to do this you need
a guide. but before he can help you,
you must be prepared by exercising
honesty towards the object of your
search. if you seek truth and knowledge,
you will gain it. if you seek some-
thing for yourself alone, you may
gain it and lose all higher
possibilities for yourself.

EBSCO DIVERSITY CHALLENGE OPPORTUNITY GROWTH

EBSCO has evolved from a door-to-door magazine sales agency to a conglomerate active in a number of diverse fields. We are open to new ideas and to viewpoints that are freshly honed, for we have often found them constructive and profitable. We are a youthful company—several of our high-ranking executives have yet to see their fortieth birthdays. After graduation, should you be seeking diversity, challenge, opportunity and growth, we would like to talk with you.

Listen!

At your graduation exercises, the commencement speaker will say something to the effect that “the future of this nation is in your hands” or “you are being given a great challenge”.

They always say things like that at graduation exercises. It seems to be the thing to do.

They’ve said it so much that most folks expect it and don’t even hear it.

That’s bad... because it’s true.

The future is in your hands... whether you hear it or not... and whether you like it or not.

Do something about it... Listen.

Acknowledgements:

I would like to extend my thanks to the business manager, Jim Lawe, for the collection of this year's ads. I am also grateful for the combined efforts of David Benneyworth and Anne Frost for the quality photographs in this book. Judi Gill deserves full credit for my insanity and also congratulations for giving this book a personality as unique as her own. I would also like to thank Febe Brazeal, Lou Duckwall, Charles Franklin, Amy Hastings, Steve Koenig, Lais Martin, Andrew Managhan, Liz Potter, Lenare Reese, Vanessa Robey, David Snow Ben Sckokel, and Jo Ann Woodham for their contributions. And many, many thanks to Roger Smith and Taylor Publishing Company for making the impossible, possible.

Comment:

I am looking for Significance.
I lost it on my way to class.
